REACH COMPLIANCE STATEMENT

REACH (Registration, Evaluation, Authorization and Restriction of Chemicals) is a European Union Commission (EUC) Regulation on chemicals and their safe use. The REACH regulations became effective on June 1, 2007 and will be phased in until 2018. REACH establishes specific duties and obligations on a business in the European Union (EU) which manufactures or imports a substance or article that includes a “substance of very high concern” (SVHC) in concentrations of more than 0.1% w/w. A substance which is listed on the “Authorization List” published by the European Chemicals Agency (ECHA) (Annex XIV of the REACH regulations) cannot be manufactured or imported in the EU after a fixed date unless the ECHA authorizes the use of the substance for a specific use or uses.

Bud Industries confirms that none of its products or packaging contains any of the 201 Substances of Very High Concern (SVHC) in the Candidate List of Substances of Very High Concern for Authorization in a concentration above the 0.1% by weight allowable limit. Further, the use of substances listed in Annex XVII of the REACH Regulations are banned in all articles or substances produced or imported in the EC except to the extent that the use complies with the specific restrictions contained in Annex XVII.

Based on the review of our products at Bud Industries to the best of our knowledge none have exceeded the concentrations of 0.1% w/w Candidate List of Substances of Very High Concern or the Authorization List, both as published by the ECHA on its website on the date of this statement, in excess of the applicable legal thresholds; and (2) all substances contained in its products are currently in substantial compliance with the current conditions and restrictions of Annex XVII of the REACH regulations.

Bud Industries will endeavor to appropriately update or modify this REACH Compliance Statement should any changes occur in the composition of Bud Industries products or the REACH regulations, including the addition of any substances to the SVHC Candidate List, the Authorization List or Annex XVII of the REACH regulations.

Sincerely,
